

This is to let you know that I am against the do not call list being removed from WI. I consider my phone a private instrument and find the intrusions from tele marketers an invasion of that privacy. It is also annoying at best and is forcing me, if you do not allow the do not call list, to use my answering machine to screen calls, which was not the intend of the purchasing of that machine, which was to not miss personal important phone calls. Thank you DO NOT REMOVE THE DO NOT CALL LIST IN WISCONSIN
